

Scholarships (2008-2009) for graduates from Temasek, Singapore, Republic, Ngee Ann and Nanyang Polytechnic

The School of Computer Science and Information Technology (SCSIT) is world renowned for its research and teaching quality. Two of the last three annual prizes for "best IT PhD thesis in Australia" were won by SCSIT students. SCSIT's teaching staff were also awarded the highest rank in 2006 and 2007 by RMIT's Science, Engineering and Technology students.

Fee reduction scholarships are available for excellent graduates from the five Polytechnics who wish to enrol in any of the following undergraduate programs:

- * Bachelor of Information Technology (Application Programming)
Cricos Code: 061097C
- * Bachelor of Information Technology (Network Programming)
Cricos Code: 061089C
- * Bachelor of Information Technology (Systems Administration)
Cricos Code: 061095E
- * Bachelor of Information Technology (Web Systems)
Cricos Code: 061098B

To qualify for the AU\$3000 (per year) scholarship you should achieve an overall GPA of at least 3.5 (on a scale of 4) in your prior IT Diploma studies. You will receive up to 2 years credit for prior studies, depending on the subjects completed.

Further details about the programs can be seen at

www.rmit.edu.au/csit/bp162/

Upon completion of one of the four programs you may apply to undertake a further year of study culminating in a Master of Technology (IT)

www.rmit.edu.au/csit/mc062/

Fee reductions are also available as described at

www.rmit.edu.au/intl_scholarships

To apply for either the February or July intake please see

www.rmit.edu.au/international

or contact International Services:

E: isu@rmit.edu.au

P: +61 3 99255156

F: +61 3 96636925

Students will automatically be considered for the scholarship once their application is submitted. Academic questions may be submitted to iugs@cs.rmit.edu.au
